COLESVILLE'S POLICIES

Colesville Nursery is mainly a Wholesale Nursery. We sell to the public at a fair market price. In order to qualify for wholesale prices you must fall under one of the following categories:

- A) Be established on our customer list as a wholesale business.
- B) Be registered with the State as a nursery or a nursery stock dealer.
- C) Have a checking account which indicates your company is a nursery, landscape contractor, landscape maintenance contractor, landscape architect, or municipality.
- D) **In order to qualify for wholesale prices, a company must be using these plants for business purposes. We reserve the right to withdraw wholesale status from anyone purchasing plants for personal use.**
